#### BODY to DOOR MOLDING

I've used J.C. Whitney parts (replacment, not OEM style) number 81-9909 which is a thick bulb that I like the look and seal of but 14-3539 is a smaller bulb that would probably work as would 13-2562. J.C. Whitney will be happy to send you about 3 inch long samples. If you want original style, contact Joe Pollard.
